

## NOTK Wine Bar & Kitchen

Dear guests,

As hosts we proudly present you our wine list. We have carefully curated a list of producers that we either import ourselves, or have worked with for many years. As sommeliers we are not only wine stewards; our goal is to listen, recommend, tell stories and curate the best possible experience for you, our beloved guest.

**Disclaimer:** We have a total crush on Champagne, Loire Chenin Blanc, everything Riesling, Northern Rhône Syrah and, above all, wines that are made with love and passion. Also, all wines on this list are made with respect for mother nature.

Wine is liquid poetry and we are here to tell you their stories

Lukas & Thomas

#### NOTK Exclusive

Douge is a beautiful little Champagne house in the Côte des Bar. They make Pinot Noir dominated Champagnes, which above all have to show a sense of place. The wines are very "terroir driven" and are all very pronounced. Florent and Katia make the wines together and in very small quantities.
