As hosts we proudly present you our wine list. We have carefully curated a list of producers that we either import ourselves, or have worked with for many years. As sommeliers we are not only wine stewards; our goal is to listen, recommend, tell stories and curate the best possible experience for you, our beloved guest.

A bit of a disclaimer; we have a total crush on Champagne, Chenin Blanc from the Loire valley, everything Riesling, Northern Rhône Syrah and, above all, wines that are made with love and passion. All wines on this list are made with respect for mother nature and selected with care by your somms.

Both of us are big wine nerds and we love to help you choose! So please feel free to ask us anything. We love to select a wine with you and as we made this wine list ourselves we love every single wine on it.

SPARKLING WINES

"HER MAJESTY" - CHAMPAGNE

How often we've answered "what are we drinking tonight after service?" with "champagne" is frankly embarrassing, but it does show our great affection for these amazing wines. We love the artisanal grower champagnes and have selected a few of our favorites. In addition, we have also added some of our favorite Grande Marques as well. As a great writer once said, there's no such thing as too much Champagne.

"THE UNDERDOGS" - OTHER SPARKLING

We are creatures of habit. And finding alternatives for great Champagne, by venturing into other sparkling territories, is more often a 'mis' rather than a 'hit'. But do not misjudge the great expressions of sparkling wine that people outside of Champagne are creating. Below a small selection of those wines that make us happy.

Reichsrat Von Buhl Brut Reserve, Germany Sekt, NV	43
Maison de la Cabotte Cremant de Bourgogne, NV	53
Langlois Blanc de Blancs, Crémant de Loire, 2020	65
Landgoed Heenwerf Prestige, Netherlands, Noord-Brabant, NV	75
Christmann & Kauffmann 'Cuvee 103', NV	120

ROSÉ WINES

Although we might sometimes disagree with the hype surrounding certain rosés from the south of France (we won't name any names), we do believe that there is a time and place for rosé. The selection of rosés below might be small, but we love these wines, for drinking on a warm summer day or to pair with some lovely food.

Rosé de Triennes Cinsault Mediteranée, France, Provence, 2023	38
Tiberio 'Cerasuolo d'Abruzzo', Abruzzo 2023	57
Rimauresq 'Cru Classé', France, Provence, 2023	66
Emmanuel Reynaud Parisy, Vin de Tables, 2023	110

MAGNUMS

Plenty of reasons to order a magnum instead of a regular bottle. The wine develops slower benefiting the quality of aging. Magnums are often bottled first at the winery and in sparkling wines the mousse is usually more integrated. But the world famous lover of wine Winston Churchill put it best: "A magnum is the perfect size for 2 gentlemen to share over lunch... especially if one of them isn't drinking"

WHITE WINES

"THE HOLY GRAIL" - WHITE BURGUNDY

The pinnacle of both 'terroir' and winemaking techniques. White Burgundy is definitely something magical for most wine lovers. Annoyingly, demand is on the rise and yields are falling, making these wines even harder to find. Below a small selection of our favorites, or at least, the ones we managed to get our hands on.

“THUNDERBOLTS & LIGHTNING” - RIESLING, CHENIN & FRIENDS

Sommeliers have a soft spot for acidity in wines, which is why some of our favorite grapes have so much of it. Riesling, even when we are talking sweet Riesling, has a laser-like, electrifying acidity. All of the wines in this category have freshness and acidity that will keep you thirsty for some more!

“THE EXTRAORDINARY” - WHITE WINES WITH A BIT OF FUNK

We love us some very traditional and classic winemaking, but even we like to go of the beaten track once in a while. Wines that we absolutely adore for being well made with just a little edge of funkiness.

“AROMA THERAPY” - VIOGNIER AND FRIENDS

Done with freshness acidity and looking for ripe and exotic aromatics? Look no further! Viognier, Gewürztraminer, Grüner Veltliner and a couple other grapes like them shine when it comes to aromatic complexity. These wines keep you on the tip of your seat throughout the entirety of the bottle and simultaneously possess a certain comforting quality.

“MIGHTY MEDITERRANEANS” - ITALIAN & IBERIAN WHITES

All the wines below have that certain “Je ne sais quoi” Mediterranean vibe, that we so often pickup on when blind tasting them. Lots of difference in all of these wines as well, but a commonality is definitely the fact that they've enjoyed plenty of sun down south. Questions? Don't be afraid to ask!

RED WINES

“THE SILVER SPOON PRINCE” - BOURGOGNE ROUGE

Pinot Noir is like a silver spoon child; it is hard to grow in the vineyard and even more difficult in the cellar. But if done correctly, it can achieve god-like status, like a prince crowned to king. The best examples are ethereal, utterly complex and beguiling, most of whom are meticulously handcrafted in de Côte de Nuits in Burgundy.

“THE WHITE & THE BLUE COLLAR” - BORDEAUX, RHÔNE, CAHORS

Whether it's a earthy Syrah or an intense left bank Bordeaux, the southern half of France produces some big reds. Some are seen as high class, elite reds, the white collar. Others might be considered more of a working class, blue collar wine. We brought them together below, all powerful, rich and structured reds.

"ITALIAN STALLION" - POWERFUL ITALIAN REDS

A classic Brunello, a seductive and powerful Super Tuscan, a tangy and smokey Barolo or a luscious ripe Amarone; we absolutely love Italy for its diversity! And even though these wines can be so completely diverse, all of them share that lovely Italian vibe, that we so often crave for.

"INTENSELY IBERIAN" - SPANISH REDS

Burned by the strong Spanish sun, toasted and oaky because of the time spend in (often American) barrels, often very powerful in their structure. All of the wines below show these qualities, whilst all still very diverse so feel free to ask about any details.

SWEET WINES

Please don't forget to complete an amazing wine experience with something lovely and sweet. Sweet wines have a bad rep; a great shame if you ask us. These wines deserve as much respect as their dry brothers and sisters, often offering tremendous balance and complexity.
