Welcome! As your hosts, we are so proud to share our wine list with you. We've carefully curated a collection of producers that we either import ourselves or have proudly worked alongside for many years. To us, being sommeliers is about much more than just pouring drinks; it's about listening, sharing stories, and helping to curate the best possible experience for you.

A quick confession: we have a massive crush on Champagne, Loire Valley Chenin Blanc, anything and everything Riesling, and Northern Rhône Syrah. Focus is definitely on Europe but we do venture across it's borders once in a while. You'll also spot a hand-picked selection of ciders and beers on the list that we absolutely love. Whatever you choose, everything on this menu is crafted with passion and a deep respect for Mother Nature.

We're big drinks nerds at heart, and there is nothing we enjoy more than helping you find the perfect glass or bottle. Please feel free to ask us anything —we built this list ourselves, and we genuinely love every single drop on it.

Cheers! Lukas & Thomas

All the wines marked with the little green bottle are imported by us and available for take away.

CIDERS & BEERS

"THIS IS A WINE RESTAURANT, RIGHT!?" - OTHER DRINKS

Each bottle is chosen with the same uncompromising standards as our rarest cuvées. All of the beers and ciders are full size 750 ml bottles.

SPARKLING WINES

"THE UNDERDOGS" - OTHER SPARKLING

We are creatures of habit. And finding alternatives for great Champagne, by venturing into other sparkling territories, is more often a 'miss' rather than a 'hit'. But do not misjudge the great expressions of sparkling wine that people outside of Champagne are creating. Below a small selection of those wines that make us happy.

“HER MAJESTY” - CHAMPAGNE

How often we’ve answered “what are we drinking tonight after service?” with “champagne” is frankly embarrassing, but it does show our great affection for these amazing wines. We love the artisanal grower champagnes and have selected a few of our favorites. In addition, we have also added some of our favorite Grandes Marques as well.

ROSÉ WINES

**Although we might sometimes disagree with the hype surrounding certain rosés from the south of France (we won't name any names), we do believe that there is a time and place for rosé.
The selection of rosés below might be small, but we love these wines, for drinking on a warm summer day or to pair with some lovely food.**

Rosé de Triennes Cinsault, Méditerranée, France, 2025	39
Château de la Gaude Coteaux d'Aix-en-Provence, France, 2025	45
Venus la Universal Dido 'La Solución Rosa', Montsant, España, 2023	70

MAGNUMS

Plenty of reasons to order a magnum instead of a regular bottle. The wine develops slower benefiting the quality of aging. Magnums are often bottled first at the winery and in sparkling wines the mousse is usually more integrated. But the world famous Winston Churchill put it best: "It is the perfect size for 2 gentlemen to share over lunch... especially if one of them isn't drinking"

WHITE WINES

"THE EXTRAORDINARY" - WHITE WINES WITH A BIT OF FUNK

We love us some very traditional and classic winemaking, but even we like to go of the beaten track once in a while. Wines that we absolutely adore for being well made with just a little edge of funkiness.

“THE HOLY GRAIL” - WHITE BURGUNDY

The pinnacle of both ‘terroir’ and winemaking techniques. White Burgundy is definitely something magical for most wine lovers. Annoyingly, demand is on the rise and yields are falling, making these wines even harder to find. Below a small selection of our favorites, or at least, the ones we managed to get our hands on.

“THUNDERBOLTS & LIGHTNING” - RIESLING, CHENIN & FRIENDS

Riesling, even when we are talking sweet Riesling, has a laser-like, electrifying acidity. All of the wines in this category have freshness and acidity that will keep you thirsty for some more!

“MIGHTY MEDITERRANEANS” - ITALIAN & IBERIAN WHITES

All the wines below have that certain “Je ne sais quoi” Mediterranean vibe, that we so often pickup on when blind tasting them. Lots of difference in all of these wines as well, but a commonality is definitely the fact that they’ve enjoyed plenty of sun down south. Questions? Don’t be afraid to ask!

RED WINES

“THE SILVER SPOON PRINCE” - BOURGOGNE ROUGE

Pinot Noir is like a silver spoon child; it is hard to grow in the vineyard and tricky in the cellar. But if done correctly, it can achieve god-like status. The best examples are ethereal, utterly complex and beguiling, most of whom are meticulously handcrafted in de Côte de Nuits in Burgundy.

“SMOOTH OPERATORS” - BEAUJOLAIS, LOIRE, GERMANY ETC.

Red wines can be expressive, complex and exciting, without necessarily relying on tannins or high alcohol. The wines we’ve selected below all possess exactly that quality. These wines are often somms’ favorites, maybe because they are less mainstream, but definitely because they challenge the palete!

“THE WHITE & THE BLUE COLLAR” - BORDEAUX, RHÔNE, ETC.

Whether it’s a earthy Syrah or an intense left bank Bordeaux, the southern half of France produces some big reds. Some are seen as high class, elite reds, the white collar. Others might be considered more of a working class, blue collar wine. We brought them together below, all powerful, rich and structured reds.

“INTENSELY IBERIAN” - SPANISH REDS

Burned by the strong Spanish sun, toasted and oaky because of the time spend in (often American) barrels, often very powerful in their structure. All of the wines below show these qualities, whilst all still very diverse so feel free to ask about any details.
